

# Customizable Pricing Options

We've made getting started with professional development services through the SEDL Virtual Academy for Afterschool both flexible and affordable. Here are two **12-month subscription** options, customizable to meet your needs:

## OPTION 1: Access to all 5 courses

Get the most out of your professional development dollars! This option entitles your afterschool program staff to over 15 hours of professional development.

**\$225.00 per user**  
(Minimum of a 5-license purchase)

## OPTION 2: Individual course pricing

We understand that you may want to introduce your afterschool program staff by providing them with a single course to start their professional development.

**\$45.00 per course**  
(Minimum of a 10-course purchase)

With this option, you can purchase your desired number of courses and can distribute them as you wish.

**SMART BUY TIP:**

Invest unspent grant funds at the end of the grant year and receive 12 full months of professional development services.
